

$$\pm 0,000 = 208,250 \text{ m n.m.}$$

Technical drawing of a roof structure (STRECHA) showing a cross-section. The drawing includes the following elements and dimensions:

- STRECHA**: The main roof structure, indicated by a hatched area at the bottom.
- PJ**: A vertical pipe or chimney on the left side.
- SS**: A small vertical pipe or vent on the left side, connected to the main structure.
- 2xSS**: Two small vertical pipes or vents on the left side, connected to the main structure.
- JT**: A vertical pipe or chimney on the right side.
- SJ**: A small vertical pipe or vent on the right side, connected to the main structure.
- 2xSS**: Two small vertical pipes or vents on the right side, connected to the main structure.
- 0,7+1,2m**: A dimension indicating the distance between the JT and SJ pipes, split into two segments of 0.7m and 1.2m.
