## DECISION TO CANCEL THE PROCUREMENT PROCEDURE

In accordance with Sec. 127(2) letter h) of the Act No. 134/2016 Coll. on the Public Procurement as amended (hereinafter referred to as the „Act“), the Contracting Authority decides to cancel the procurement procedure entitled "ALFAGEN - MOLTEN ALUMINUM MELT QUALITY ANALYZER" implemented in an open procedure, which was published in the Public Procurement Bulletin under contract registration number Z2026-008668 and in the Official Journal of the EU - TED under contract registration number 97361-2026.

Justification:

The Contracting Authority is cancelling the procurement procedure due to the fact that there is currently only one Participant in the procurement procedure.

The procurement procedure received Tenders from two Participants. One Participant was subsequently excluded from the procurement procedure. That Participant then waived its right to object to the decision to exclude it from the procurement procedure, thereby ending its participation

---

in the procurement procedure. Consequently, only one Participant currently remains in the procurement procedure.
