Specify in detail, if any

Part I

.....	EUR/unit
.....	EUR/unit

Total price for Part I for other without VAT EUR

Part II

.....	EUR/unit
.....	EUR/unit

Total price for Part II for other without VAT EUR

If any unpredictable situation happens and any extra performance will be needed, the Contracting Entity will use the unit prices stated in this document.

In case that more Service-Installation support will be performed in one time by same Supplier, the mob/demob costs will be charged only once. In case that the execution of the works is done in different locations, only the charge for re-location will be applicable.

In case that the Contract for Part I and II will be concluded with the same Supplier the training shall be charged only once and will be combined for both Parts at one time and place.
